Election Nears Climax As Candidates Make Last Plea

Campaign efforts swung into high this week as candidates made final appeals to voters for support in next Monday's annual town election and indications were that, with good weather, a very large vote will be tabulated.

In addition to a number of town members and town officials, voters will decide on a change in the place a paid executive over many of the town's departments.

Indications were that the Citizens' Committee will have stiff battle to return a complete set of independent candidates were waging a strong battle for office. Campaigns are that of Harold E. Magnuson, who is opposing George A. Harris for the important office of Moderator. With a very score of endorsements, Mr. Magnuson has opened campaign headquarters and is making a strong

left to right, Miss Dorothy L. Greene, assistant residential chairman; Mrs. Edward L. Glidden, Motor Service; John M. Stiff, assistant residential chairman, and Harold A. Yeames, treasurer and headquarters chairman.

Another whose independent campaigns have attracted both support and widespread interest is Edmund L. Frost, who is running for Selectman, opposed by Stephen S. Doroghue.

Veteran political observers feel that Mr. Magnuson and Mr. Frost have the best chances of upsetting the slate, although several other independent candidates are considered in the running.

Considerable doubt exists concerning the proposed charter change. Many political leaders in the community are definitely in opposition, but lack of any organization among the opponents may result in passage of the measure, which needs only a majority to become enacted.

Polls will open at seven a.m. and will be open until seven p.m. Just when returns will be available is not certain, dependent primarily on the size of the vote. In all nine major contests appear on the slate, with countless other battles for town meeting member included.

Thomas R. Rawson, well known contractor, is favored to capture the post on the Board of Public Works which he lost by a very narrow margin in 1949. He has two candidates in opposition, but plus his endorsement by the Citizens' Committee gives him a decided edge.

Walter S. Cooleedge seeks election to the Board of Assessors. He has the endorsement of the Citizens' Committee, and has waged a strong campaign on his own behalf. His opponent is George M. Manning.

Six candidates are in the running for the School Committee. Two seek re-election, have the endorsement of the Citizens' Committee and are favored to return to the Board. These are John P. Norine and M. Norcross. Stratton Mary K. Boyd is the third candidate with the committee's endorsement. Independent aspirants for the school board are Robert J. Brosnan, Robert E. Donovan, and Edwin J. Mockler. Roscoe O. Elliott and Francis (Continued on Page Four)

On MONDAY, MARCH 6, 1950, inhabitants of the town of Arlington, qualified to vote at elections, are to meet at the polling places designated for the several precincts in said town for the purpose of electing by ballot town officers and, also, voting on the measure relating to the acceptance of Chapter 369 of the Acts of 1949, all as set forth in the Warrant calling the Annual Town Meeting.

For these purposes, THE POLLS WILL BE OPEN FROM 7 o'clock A.M. to 8 o'clock P.M.

Pupil Hurt In Press At School

Philip Gimblett, 17, 32 Fairmount street, Arlington, was taken to the Symmes Hospital Monday morning in the police ambulance after his right hand was crushed in a printing press at the Arlington High School.

Gimblett was working on the press, in the printing room, putting cards into the machine to be printed. One of the cards apparently became entangled, and when he reached into the machine to get the card, accidentally stepped on the operating switch at the same time. The machine started and his hand was pulled between a small roller and the gears.

He was treated on the scene by the High School nurse and then removed to the hospital where he was reported suffering from lacerations and multiple bruises of the right hand.

Chief Warns Walkers Of Safety Methods

Pedestrians were warned today by Chief Archie F. Bullock, that traffic safety is a two-way proposition in Arlington and that walkers are no more immune from traffic accidents than motorists.

"Three-fifths of all pedestrians killed in traffic accidents in 1948 - the last year for which the National Safety Council has complete figures - were using the roadway in an unsafe way," Chief Bullock said, "This more than all the lecturing in the world points out the importance of safe walking practices."

"For some reason, the pedestrian seems to assume that jaywalking and other unsafe acts, of

any risk at all, are purely personal ones. Probably in no other field of activity does the average citizen feel his rights so grossly infringed upon as by the rules and laws designed to regulate his behavior while in the role of pedestrian."

Chief Bullock points out that while the motor vehicle operator is being educated in the practice of defensive driving, pedestrians also should heed this teaching and walk defensively. The fact that a pedestrian was within his rights when struck by a motor vehicle will not restore his life. Pedestrians therefore should "Walk Defensively" and keep on living.

Coal Strike Cuts Use Of Schools At Night

An announcement from the Arlington school department stating that evening use of the public schools has been cancelled due to the shortage of coal was received this morning. Many events have therefore been stricken from the calendar until further notice.

Town and Church Basketball Leagues will continue until further notice, but Superintendent of Parks and Recreation Daniel J. McFadden issued a list of events sponsored

by his department which will be eliminated.

The Tuesday adult gym class in badminton and golf will not be held until further notice. The Wednesday golf and Thursday golf and square dancing is also out.

Use of the gymnasium for private organization basketball games has been cancelled.

At present there will be no curtailment of regular school activities, it is understood.

Here We Go Again

The Arlington Press office was "attacked" for the second time this week, Tuesday afternoon, but there were no casualties.

At five o'clock Tuesday, everyone was doing his daily duty when a loud explosion shook the building. Having nearly burned to death last Friday when a snow plow exploded outside our window sending a sheet of flame over the roof, everyone ran for the nearest exit.

Upon investigation, it was found

that Public Works truck No. 11 was behind this second scare. The truck was driving through heavy traffic when all of a sudden it blew a rear tire with an explosive roar that could have been heard in Medford.

The employees of this paper are requesting the publisher to provide the office with fire hoses and bomb shelters and hand grenades. Public Works beware, the next time we are going to shoot back.

CARNEY SEEKS PARKS OFFICE

John F. Carney, local businessman, is seeking the position of Park Commissioner in the annual Arlington election next Monday.

Mr. Carney has served as Town Meeting member, is a lifelong resident of the community, a taxpayer and a war veteran. He was also a former Arlington high athlete.

Mr. Carney has devoted considerable time to the youngsters of Arlington on the Parks and Playgrounds and feels that this close contact with the problems of the department best qualify him to serve as Park Commissioner.

NEW MTA CAR ON TRIAL RUN HERE

The first of the twenty-four modern trolley cars which Manager Edward A. Dana of the M. T. A. and Walter Waldron of the Board of Trustees promised Representative Henry E. Kenan would be put into service in Arlington was observed on a trial run in the town last week.

Tax Rate May Climb To Fifty Dollar Mark If All Finance Com. Recommendations Pass

Nearly Every Department Due For Jump - School Budget Is Up By More Than \$100,000

A tax rate of about \$50 per thousand is indicated by the report of the recommendations of the Town Finance Committee for the March 1 town meeting. This would be an increase of \$3.80 over the 1949 tax rate, and a jump of nearly \$10 dollars over 1948.

Recommendations call for the raising of \$3,830,968.81 by general tax, while a total of \$4,523,431.52 will be expended if the Finance Committee suggestions are carried out to the letter.

Chief increase in the 1950 budget as prepared by the finance committee is an item of \$101,506 for the school department. Other very sizable increases are recommended for the public libraries, public works, and welfare departments, while the interest and debt payment also increases.

Cost of practically every department in the town will have some increase during 1950, according to the report, issued early this week. Actually the school department expenditure of \$1,337,747 represented nearly 36 percent of the

Branch Opens In East End Monday

Trustees of the Robbins Library announced this week that the East Branch Library is to open in new quarters at 175 Massachusetts ave. on Monday, March 6, at one o'clock.

The branch at the Crosby School was closed at six o'clock last evening. Books may be returned to the new branch at 175 Massachusetts avenue, or at the main library.

The general contractor for the work done at the Branch was the Peter Rossi Company, with Stanley J. Ryerson as Supervising architect. The library equipment was furnished by Library Bureau, a division of Remington Rand.

The hours for the new branch will be increased from 17 hours to 35 hours per week.

The East Branch will open every afternoon from one to six p.m., and on Monday and Friday evenings, from seven to nine p.m. On Saturday the hours will be ten to noon and one to six. The branch will not be open on Sundays or holidays.

Children Visit Police, Firemen

Tuesday afternoon, Mrs. Joseph Critchett, chairman of the Community School Relations Program of the Cutter school, assisted by Miss Arlene Avery, Miss Dorothy Allen and Mrs. Marlin Johnston, conducted 80 children of the second grade on a tour of the Fire Station and Police Headquarters.

This is a new program developed by the Parent-Teachers Association to acquaint the school children with the duties and operations of the Fire and Police.

It was reported at the police station that the feature of the trip turned out to be the water fountain there. Long lines of small ones could be seen waiting their turn to get a drink.

Rawson Election Urged By Local Citizens Com.

The Arlington Citizens' Committee is proud to endorse the candidacy of Thomas R. Rawson for the Board of Public Works, the committee announced today.

The following statement was issued:

One of the outstanding men of Arlington whose name will appear on the ballot Election Day, Monday, March 6, is Thomas R. Rawson, candidate for Board of Public Works. Mr. Rawson, who resides at 54 Hutchinson road, with his wife and four daughters, has had over 21 years of practical experience in all phases of public works, including road construction, snow removal, ash collections, sewer and water line construction, trucking, etc., and enjoys an enviable reputation for honesty, integrity and efficiency in all his dealings. A successful business man who has organized his affairs so that he has ample time to be of service to the community, Thomas R. Rawson is motivated by a sincere desire to serve in the department for which he is best fitted. As an extensive real estate owner in Arlington, Mr. Rawson is cognizant of the problems facing the taxpayer. As an employee of 33 satisfied employees he is also aware of the problems facing the wage earner today.

A former sports celebrity who exemplifies clean living American manhood Thomas R. or "Tommy" Rawson, as he is known throughout New England and the East, is in great demand as a speaker before groups promoting worthwhile youth activities. An energetic civic worker, Mr. Rawson has given much of his time and efforts to local youth and other activities. As a candidate for the Board of Public Works in 1949 Mr. Rawson received 5615 votes, losing the election by only a small margin. Since announcing his candidacy this year, he had acquired the support of hundreds of Arlington citizens of all political faiths, who have come announcing his candidacy this year, to realize his value to the community qualifications of Thomas R. Rawson as a candidate for the Board of Public Works. His candidacy carries the endorsement of the Arlington Citizens' Committee.

To The Editor Arlington Press

To the Editor,
Arlington Press—

Dear Sir:
May I appeal through your newspaper to all the voters of Arlington to make a special effort to go to the polls and vote in the town election to be held next Monday, March 6th. In my opinion, it is vital to the cause of good local government that town officers be elected by a majority, rather than by a minority, of the registered voters in order that the town government may truly represent the prevailing sentiment of the townspeople.

I would also like to take this opportunity to express my sincere gratitude to the many public-spirited citizens who have devoted much effort to inform the voters of my qualifications for the office of Moderator. Your courtesy and assistance in this effort in making available the columns of your newspaper is much appreciated.

O'Brien Confident Of Victory Next Monday

William J. O'Brien, Jr. is confident that he will win his contest for Commissioner of the Sinking Fund next Monday because he believes that Arlington needs qualified men in government to maintain its vitality and efficiency.

"My opponent," Mr. O'Brien asserted, "now holds three elected town offices. Surely, it is unwise to allow one man to hold three posts while there are other competent men who are willing to serve their community. In my opinion, the question involved is this: Do the voters of Arlington wish to bring young men into government to serve with experienced officials in order to establish a continuity of action in town affairs?"

Mr. O'Brien is a responsible veteran of World War II who has lived in Arlington since birth and who majored in Economics at Tufts College. He is a member of the Arlington Citizen's Committee and a member of the advisory board of the Arlington Adult Education Program. He was elected Americanism Officer of Arlington Post 39, American Legion last fall and has recently been elected Corresponding Secretary of the East Arlington Civic Association.

town meeting, deciding all questions of order and making public declaration of all votes, the Moderator is in a real sense a guardian of one of our most democratic institutions of local government. Moreover, as one of the three members of the appointing committee authorized by By-Law to appoint members of the Finance Committee and by virtue of the authority conferred upon him from time to time by vote of the town meeting to appoint committees, the Moderator is in a key position to attain proper representation and balanced judgment in deliberations upon the governmental affairs of our community.

On the basis of qualifications for office of Moderator, I offer my service with the assurances that, if elected Moderator, I would conduct the town meetings properly, fairly, and impartially, with dignity and moderation, and that I would conscientiously seek the services of citizens devoted to the public interest, representative of the town as a whole, both geographically and of the population including those who may be expected to have various attitudes toward any issue or issues that may be involved, to serve on any committee which, as Moderator, I may be authorized to appoint or share responsibility in appointing.

Sincerely,
(Signed) Harold E. Magnuson

Arlington Girls Share Crown As Snow Queen

Twins from Arlington carried off the top honors of the season on the Boston and Maine Sunday Snow Trains, when a committee of Boston newspaper editors, acting as judges, selected Mary Ann Sweeney and her identical twin, Helen Sweeney, as "Miss Snow Train of 1950."

The judges selected the twins from the outstanding girls who had been chosen from all of this year's snow trains, and as the twins were identical, it was possible to select one, and the decision was handed down that both girls would have the title of "Miss Snow Train of 1950."

This is the first year that the Boston and Maine has had twin queens and yesterday they were presented identical silver cups, properly inscribed, by Robert M. Edgar, assistant to the president of the road.

Speaks Well For The Parrot!

The Arlington Fire Department, through Miss Anna (Irish) Hurley, Chief Tierney's secretary, advises all concerned that Polly the non-talking parrot is recuperating quite well from her recent attack of neuralgia or whatever it is that parrots get attacks of.

Miss Hurley also wishes to speak to the principal of Arlington High School regarding the lack of training that she received in public speaking when she was a student there.

It seems that Miss Hurley just returned from a trip to Ireland and everywhere that she went, as soon as she opened her mouth, people would say, "You're from Boston" and immediately inform her that she did not know how to speak the English language.

However, Chief Tierney advised her that she should be proud of the distinguishing quality of her voice and not angry because people make fun of it. Miss Hurley still insists on speaking to someone in the English department of the Arlington High School. High School take note.

TROOP EIGHT

At its last meeting the Troop held its Mid-winter Parent's and Guests' Night. Following the open-ing exercises and an address of welcome by Troop Committee Chairman Dr. R. B. Lancaster, Tenderfoot Ceremony was observed for Edwin Larsen and John Har-pell. The boys were presented by Senior Patrol Leader, Ralph S. Stevens, Jr., to Scoutmaster Carle-ton Finch and Assistant Scout-mater George A. Riese, backed by Junior Assistant Scoutmaster, Bill Berry, Dick Barker and Ronnie Simonds, who assisted in lighting the candles, as Assistant Scout-master George A. Riese instructed the candidates. The Tenderfoot awards were then made by Scout-master Finch. Then followed in order, awards made by Past Troop Committee Chairman William R. Berg - Second Class to: John Lane, James Snow, Christopher Azadian, Paul Seery, Lane Porter and Jo-seph Quinn; First Class to: George W. Whitney and Richard Mardigain.

Prizes for intra-troop competi-tion were given by Committeeman, Ralph S. Stevens to: Richard Mar-digain, Paul Seery, Lane Porter and Jay Smith. The audience was then entertained by an amusing skit, the production of Junior As-sistant Scoutmaster Dick Barker and Senior Patrol Leader Ralph S. Stevens, Jr. This portrayed the adventures of a patrol on an over-night camping trip. Their First Aid was both "rough" and "ready" and it is alleged that the boys were "souped up" for the occasion. The "soup" at least, was real, whether or not it evoked the somewhat raucous rendition of the "Sausage Song" that followed. Arlington District Chairman, Henry E. Keen-an, then made the Star Award to Scout Thomas Quinn. The climax of the evening was reached when Sachem Council's Immediate Past President, Mr. G. Sherman Blair, of Concord made the Eagle Award to Senior Patrol Leader, Ralph S. Stevens, Jr., whom he addressed as "Not big in stature but long on accomplishment" with the recogni-tion that in achieving his Eagle, a real challenge had been met, as confirmed by the words of the Poet Emerson, "When duty whispers

Alec Bernard, well known in Cam-bridge and Arlington, will be the caller for the Square Dancing, while music will be furnished by Oscar Robillard.

Legion Post 39 has had many requests to establish a regular "dance night", so all members of the Post and their friends are ur-ged to express their opinions on the present plans.

Tickets may be purchased from members of Post 39, or at the hall.

lo "Thou must", the youth replies "I can". It seemed for a moment when Eagle Scout Stevens present-ed the miniature pin to his mother as if there might be a "catch" to it, but that was soon smoothed out and Mrs. Stevens received her award with a equanimity only matched by her son's. The even-ing closed with the showing of movies of past troop activities and refreshments. Another successful event in troop history and a trib-ute in smoothness of operation to the event's Master of Ceremonies, W. Dale Barker, Arlington District Vice-Chairman.

TROOP 7

In celebration of National Scout Week Troop 7 Boy Scouts and Pack 7 Cub Scouts, St. Agnes' held their annual Communion Breakfast in Chestnut Hall after the 8:30 Mass and Communion Sunday morning Chaplain Fr. James Rafferty and a group of the Sachem Council Ex-ecutive Committee were present. Den Mothers served the boys. En-tertainment was in the form of a movie on boxing and hockey shown by Mr. T. Rawson. In the afternoon both groups of boys attended ser-vices at the Cathedral of the Holy Cross presided over by Archbishop Richard J. Cushing.

On Thursday evening, in the St. Agnes' School hall the Cub Scouts of Pack 7 held their monthly meet-ing at which time the following awards were made:

Junior Women's Club Meeting

The Arlington Junior Women's Club held their regular meeting on February 20th at the Robbins Lib-rary Hall. The speaker for that night was Mrs. Smith from Beauty Counselors Inc. Gerry Mer-rill was chosen to be the model. The lecture was interesting and lots of fun for the girls. Many helpful hints on skin care were learned. Mrs. Smith also offered to go to the girls' homes and tell them what make-up would be most complimentary to them.

The Books for Beauty project met with huge success. Many mag-azines and books were brought in by the girls. The Chorus plans to rehearse some selections for their debut in April.

The annual play under the di-rection of Anne Abbott will be pre-sented at the next meeting. The girls participating promise many laughs.

Sergeant Robert F. Winter of Arlington is on duty with the per-sonnel section at Sugamo Prison, Tokyo Japan.

G. B. I. All Stars Capture Two Victories As Arlington Players Play Important Part

By Frank Mahoney

IN TWO respective games, the G.B.I. Arlington stacked All Star team defeated the highly favored Montreal Catholic High of Canada, 6-3, last Wednesday and the following Saturday they scraped by the Bay State All Stars, by a narrow margin 6-5.

THE HOLIDAY game, witnessed by 4500 fans, opened with the Montreal lads putting on the pressure against an unsteady G. B. I. defense, giving the visitors control of the puck, who in return, really gave goalie Baker a workout. The whole picture changed within a matter of minutes however, for the second line from Rindge, playing as a unit stepped up the pace for the G. B. I.'s. Then the scrappy Babine backed third line took over and set Canadians on their heels.

SWIFT BACKCHECKING by the local lads reversed the opening pressure and they scored their first goal near the eight minute mark. John Titus of Melrose took off on a sensational speed dash down the left wing boards and getting trapped in the corner lifted out past a rival to his teammate Bob Marsolais who scored the first point. The pace then picked up and it looked as though we were in for a rough and ready finale when the clock stopped the play for the initial frame.

THE BEAN TOWN boys took over in the second period and their converting and zone playing was nothing short of terrific. They scored two goals in the second frame, both aided by their opponents. On the first, Bob Gorman of Medford passed out and the puck bounded off Giles Richard at defense to slip past goalie O'Neil. One minute later on a face off from the left quarter by Titus, Marsolais shot and scored on a rebound off LaCroix near the crease.

DICK HEAVEN, Cambridge latin goalie came in for many cheers in this period as Montreal picked up steam however, though

Dick knocked out each attempted shot, Bounais roared down the boards and on a close shot which angled off Heaven's skate, lit the first Montreal red light.

IN THE FINAL period the G.B. I.'s got a couple of more goals before they were matched in the last minute and one half. Bob Babine of Arlington got the first one on a passout from Burns of Stoneham and then fed to McDougall of Belmont who piled home a 35 footer and followed up by shooting the rubber through the defense allowing Burns to pick it up and score the final G.B.I. goal.

WITH A DISSAPPOINTING crowd of 1500 looking on, the 13th meeting of the Bay State All Stars and the G.B.I. All Stars went down on the records as another win for the G. B. I.'s, Saturday afternoon at the Boston Arena, 6-5 making this the 12th win for the Greater Boston Team.

The Arlington sparked team went hot and heavy for three periods, but fell apart in the third stanza and luckily managed to win this lively event. The G.B.I. seconds defeated the Bay State seconds, 7-2, to make it a clean sweep all the way.

FOR TWO FULL periods the G.B.I. upstarts duplicated their Wednesday performance against Montreal Catholic. Paced by the makeshift th'rd line Gorman (Medford), Babine (Arlington) and Burns of Stoneham they shot to a late second period score of 6-2. The third period saw a complete reversal of the heretofore sparkling performance of the G.B.I. ut they managed to keep the visitors at bay allowing them only two goals in this frame giving them hopes that were shattered when the buzzer ended the tilt.

Arlington Lineup: Doherty, Cooney, Russell, Dickson.

TEEN AGE GROUP PLANNING DANCE

The Teen-age Group of the Arlington Jewish Community Center will have their first Ides of March Dance Saturday, March 4th, 1950, at 8 p.m. at the American Legion Hall on Mass. avenue in Arlington.

There will be a door prize and an elimination dance. Refreshments will be served and music will be by Murray Keith and his Prom Trotters.

Stewart Gerber, president of the Teen-Agers, was one of four boys out of 140 who passed the N.R.O.T. C. test. The people in Arlington are mighty proud of Stewart.

Seek Blood For Red Cross Use

"We're out for blood — your blood!"

That, in effect, is the war cry of the committee which met last Monday at Red Cross Headquarters to lay plans for a vigorous blood donor or recruiting campaign which, it is hoped will bring hundreds of Arlingtonians out to meet the Red Cross Bloodmobile when it comes to the Central Fire Station on the 20th and 21st of March.

Dr. Richard J. Moran, chairman, pointed out to the committee that, "blood — your blood," is one of the modern physician's most effective life saving weapons. "And th's program," he added, will make blood available at all times to all people free of charge."

The Bloodmobile visits Arlington twice a year at which time the townspeople are asked to give blood so that the Red Cross Blood Bank in Boston will have ample supplies to meet any emergency that might arise in Arlington. "That emergency might involve you or one of your loved ones," Dr.

Moran said.
As a part of its drive the committee plans to seek the cooperation of Red Cross workers who started their annual fund raising calls this week. They will be asked to inform all residents of the dates on which the Bloodmobile will be here and to request that all those physically able give their blood in this life saving campaign.

Serving on the committee with Dr. Moran are Mrs. Russell T. Hamlet, E. Vernon Rich, Representative Henry E. Keenan, Richard B. Talcott, Rev. Halsey Andrews, Mrs. Walter Crosby, Mrs. J. F. Pearson, Rev. Justine C. Durocher, Mrs. Fred Donnelly and Mrs. William W. Wills.

Miss Elizabeth Blair, Director of Blood Donor Service for the Red Cross also attended the meeting. She appealed to all Arlingtonians to "Make it a date for either March 20 or 21. The Bloodmobile will be on hand from 1 p.m. to 7 p.m. both days.

STICKS And BLADES

In a thrilling Tuesday night spectacle, the Boston University sextet, capably assisted by Arlington's Stars Keith Barnhill and goalie Ikey Bevins, practically assured themselves of the N.C.A.A. bid to Colorado, by defeating a weak Colgate team, 12-0. However, Boston College, who went in to their game feeling confident of being the second choice of the N. C.A.A. committee, suffered an ignominious defeat at the hands of a brilliant Harvard College ice brigade, 9-8. This posed the big question "Will Boston College go to Colorado now?"

The men who are supposed to know claim at the present moment B. C.'s chances are far but should they drop tonight's game to Dartmouth "then it's anyone's guess."

Keith Barnhill, an Arlington lad, whom we have heard very little of, scored his third and fourth goals of the season against Colgate. Keith, who never played hockey in High School, due to an injury.

has been nicknamed "Snowshoes" by his mates who claim that he cannot be knocked off his skates. John Collins, Assistant Athletic Director of Boston U., said, "If we had the Lady Byng trophy in this league it would go to Keith for he has not had a penalty called against him all year."

Warren Lewis another Arlington bred hockey star, still suffering from a recent shoulder operation, played a brilliant one man game against Harvard. It is now easy to see why Warren is called the spirit and backbone of the B.C. sextet.

Jack Martin of Belmont, left wing on the Garrity line of B.U., and well known in local sports circles, is recuperating from a very serious shoulder seperation received in the Dartmouth game. Jack is convalescing at his home following an operation last Friday at th Mass. Memorial Hospital.

My guess for the New England representatives to the N.C.A.A. tournament are, 1. Boston University and, Boston College, if they win tonight's game. If they lose to Dartmouth, then possibly S.

SIMEONE'S A POPULAR SPOT

Many Arlington residents enjoy frequent visits to the popular Simeone's in Cambridge, a restaurant famed for its spaghetti. During the past year, Simeone's served 3,000 miles of spaghetti, enough, they estimate to reach from Boston to Rome. They also estimate use of eight and one quarter tons of beef in their famed meat balls.
